

Dear student,

Please compare the following keys with your own answers to find out how well you did in reading comprehension tests 2 + 3.

Then please do this week's assignments listed below the keys.

Stay safe and healthy.

Best wishes

Anja Heckelsmüller

### Assignments (to be done by Friday, 03<sup>rd</sup> April 2020)

It's time to start dealing with a new unit (Topic 3).

1) Look at/Read the information on **pp. 58 – 59**, then create a **mind map on “The Blue Planet”**.

Use the information given on pp. 58 – 59 plus your own knowledge and decide what positive/negative aspects should be mentioned.

2) Do **exercises 2a and 2b on p. 58**. It's up to you whether you want to use notes or write complete sentences.

3) Do **exercise 1 on p. 60** (you may call one of your classmates to compare your ideas in order to make your list more comprehensive, but you don't have to). Then **read the text “Bag Lady” on pp. 60 – 61**. Look up words you do not understand, then do **exercises 2a** (write complete sentences) **and 2b on p. 61**.

4) Copy and learn the **vocabulary of Topic 3 up to p. 193 “to run”**.
