

p.78/5 Learn how to mediate in a fight: LÖSUNGSVORSCHLAG

Pia saw a fight between two of her classmates. She decides to join a special club at her school where students learn how to mediate in a fight. She wants to tell Olivia what she found out on the school website, but she doesn't know all the words in English. Help her to describe in her own words what the club is about.

Mediation skills

If you don't know a word in English, try to **describe it in other words** that you already know.

Example:

"Zeuge - He or she saw what happened in an accident or in a fight, for example."

Streitschlichter-AG Mach dich und andere stark!

In unserer AG lernst du, wie du bei einem Streit zwischen Mitschülern oder Freunden vermitteln kannst. Als Streitschlichter hilfst du den Streitparteien, gemeinsam nach einer Lösung zu suchen. Es geht darum, Konflikte durch Reden – und nicht durch Gewalt! – zu lösen. Lass dich zum Streitschlichter ausbilden und trage zu einem freundlichen Miteinander an unserer Schule und in deinem Freundeskreis bei!

In this club you learn how you can help when your classmates or friends have a fight. You learn how to look for a solution together and how to solve the problem with words. People in this club get special training.
