*Lösung: 1. I heard one man singing non-stop in an awful voice. 2. I noticed one woman drop two bags of rubbish out the window! 3. I saw one man cleaning the flat with no clothes on! 4. I saw one woman hide expensive shopping bags before her husband got home. 5. I heard two men shouting at and hitting each other non-stop. 6. I listened to a woman playing the piano very nicely. 7. I noticed one man trying to stop a fire in his kitchen. 8. I saw two police officers break down a door to a flat.*

p. 124, no. 9

This is not the only true solution! It always depends on whether you observed the whole action or not.

*Lösungsvorschlag: I noticed a stranger carrying a big travel bag. I watched him walk close to the house and look up at the windows. Then I heard him open the garden gate. I saw him turn round and look up and down the street. After that I saw him walk very quietly to the back of the house and then I heard glass break. Suddenly I noticed someone switch on a torch. I saw him walking slowly around the house. Later, I watched him come out through the front door and run down the street.*

Tasks for the calendar week 14:

1. p. 55, no. 16 a) Do this exercise with at least one partner. You can do it with up to six partners. Call some people. Maybe you can even establish a video conference in groups of six\*. Then do 16 b), c) and 17 a) and part of b) within your group.
2. Read the p. 55, no. 17 b) → read the two boxes *Across cultures* and *Useful phrases* on p. 55 and then do the writing for 17 b)
3. WB, p. 28, no. 14 and p. 29, no. 15 a) and b) (Read "skill files" 10 and 11 on p. 140 and p. 141 in your book before you do the mediation.)
4. Read the text on p. 56. Then read "skill file 3" on p. 133.
5. p. 57, 18 a) and b)

\*For video conferences I recommend a so-called jitsi-meet-instance.

A good description of how "Jitsi Meet" works you can find on <https://www.kuketz-blog.de/kurzanleitung-jitsi-meet-videokonferenz-per-browser-oder-app/>
